1. In the small village of Betlehem
Round about midnight at Christmas
Son of God became a human
As a child he was born.

He was called little Jesus
His mother was called Maria
Who covered him in swadding-clothes
Lay him int he manger

The angels high int he sky
In big heavenly brightness
Sang their song
Glory for God.
2. Luca, Luca Click, Cluck, Click, Cluck
Mayflower two, trhee
I wait for dried pear
If you don't give me bacon
I cut off the beam
If you don't give white or black pudding
I take your girl Julcsa
Luca, Luca Click, Cluck, Click, Cluck
Mayflower two, three.
3. Ding dong of early morning peal of bell
Advertise that that gere is the end of year.
So good health, wine, wheat and
Peacefulness a lot for all you the New Year.
